2011-12 Campus Improvement Plan (CIP) Final Draft	<ul style="list-style-type: none"> Jennifer Allison shared the final draft of the CIP; this is the version approved by the Board. Goal 3, Section R – Technology – Sandra Hansen (MMS Technologist) updated everyone regarding the status of the improvement strategies: MMS has purchased and is utilizing a new laptop cart; still looking into providing computer stations in front foyer; survey of faculty was completed to determine their needs & interests regarding technology at MMS; reviewed faculty professional development opportunities. Jennifer Allison stated that all of the Education Foundation Grants submitted so far this year were technology based. Our librarian, along with all of the district librarians, was awarded a grant for E-Books and E-Readers. Kyle Citrano asked what apps were applicable to this age group. Sandra Hansen gave several examples of apps. Goal 1, Section D – Career & Technical Education – Ashley Canuteson (MISD CTE Coordinator) informed everyone that CTE courses are offered at both the Middle School and High School and some offered at MMS count as HS credit; CTE brings alive the question of “When will I ever use this knowledge”; CTE courses help with building bridges with core content; it was reported that the newly created robotics club at MMS was a “complete success”; Academy Night was just held at MHS which promotes all courses, including CTE courses. Kyle Citrano asked if we allow students to visit the classrooms of courses they might be interested in; Ms. Canuteson stated that we historically have not done this; but Academy Night provides them some hands-on activities and they get to speak with student representative. Tours are provided to incoming 6th graders and incoming 9th graders. Goal 1, Section C – Transitions/College & Career Awareness and Goal 2, Section L – At Risk – Kirk Parker (MMS 7th grade counselor on behalf of Deborah Ford, 8th grade counselor) Mr. Parker informed the committee that: October was College & Career Awareness Month and shared some of the activities that occurred; Academy Night was a great 	Jennifer Allison, Sandra Hansen, Ashley Canuteson, Kirk Parker

	<p>success showcasing what we offer; Career Surveys were given to the current 8th graders to assist them in relevant course selections,; we currently have 4 Achievement Via Individual Determination (AVID) classes that help students prepare for college; the AVID Students toured MCC; this year MMS held Panther Palooza for the incoming 7th graders before school started and it was a “BIG success”; “At Risk” is being monitored on a monthly basis at the campus level; it is still being discussed how to disseminate the at risk information to applicable parties.</p> <ul style="list-style-type: none"> • Goal 1, Section E – Response to Intervention - was not discussed due to time constraints; will be on next agenda • Goal 1, Section H – Tolerance & Sensitivity/Decrease of Inappropriate Behaviors – was not discussed due to time constraints; will be on next agenda
