

- The Midway 254 Club provides a simple way for local businesses to get involved with the Midway School district.
- The Club is essentially a compressive list of promotions, discounts, and rewards available online exclusively to MISD employees.
- Currently, there are four categories: restaurants, events, services, and shopping/retail
- Businesses may join the Midway 254 Club in addition to, or in replace of distributing hard copy materials to campuses.
- With the exception of event promotions, we ask that campaigns remain active a minimum of three months, allowing employees enough time to benefit from promotions.
- Businesses may choose to include a coupon that employees can print off and bring with them, or simply require that employees show proof of employment.
