

SHAC Minutes

Date: December 8, 2021

Time: 11:30-1:00

Location: MISD Administration Building Board Room

The December SHAC began at 11:45 with a reminder that the meeting will be recorded and posted on the SHAC page on the district website.

1. Food Services Updates-Jaclyn Salinas,
Registered Dietician and Rudy Frett, Director of Food Services

Jaclyn opened the meeting with information and updates from Food Services. The Food Service Dept provided lunch: salad, smoked brisket, and chicken wraps. Food Services purchased a digital smoker. Chef Logan is using the smoker to sample food items at the HS. Food Services staff has partnered with campus learning in various activities: “Food and Fractions” and MS civics projects. The Food Services staff catered a meal for veterans and provided food for parenting classes taught by MCH.

2. StopIt App Reports-Anne-Marie Zellers, Coordinator for Student Support Services
 - a. New Resource: Cenikor

Anne-Marie shared that there have been nearly 600 Stopit App reports in a year. Stopit is an anonymous reporting app for students in grades 4-12 and is downloaded on their iPads. A report was shared with a breakdown of the types of incidents submitted. The reporting is anonymous and received instantly by the campus. Staff can communicate back and forth in the Stopit messaging and the student can maintain anonymity. Cenikor is a new resource for MISD students. Through a grant, Cenikor is providing an LCDC that can meet with students who are struggling with substance misuse. If a parent signs consent, the student may be provided with 6-8 weeks of counseling-including group support and family counseling.

3. Horizons-Dr. Valerie Willis, Principal of Horizons and DAEP

Dr. Willis shared information about the new Horizons program opening next year with a goal of serving 100 students in the first year. Students can choose from two blueprints: a College Plan or a Career Plan. Students on the College Plan will start taking dual credit classes in 9th grade and have all core completed by the end of 12th grade. The Career Plan will allow students to work in part of the day in a field that aligns with their course selections and 4-year plan. Students interested in applying for Horizons can submit a video indicating to Dr. Willis. There will be a parent meeting tonight (Dec. 8th) to discuss Horizons and a Google Meet on Saturday.

4. Health Update-DeeAnn Kleypas, Coordinator of Health Services/SHAC Co-Chair

a. Visitors on campus

DeeAnn Kleypas shared that COVID numbers are very low in the district. Strep and flu numbers have increased, but are still low overall.

Jeanie Johnson asked the SHAC to talk at their tables about visitors/parents on campus/outside food on campus. The groups stated that depending on Covid numbers next year, they could see recommending to the board that parents be allowed to bring lunch to a student on his/her birthday. With more campuses opening, there could potentially be more room for parents to be on campus during special events and occasions.

5. New Health TEKS and Textbook Adoption

a. [Proclamation 2022 Pre-Adoption Samples](#)

b. [Health TEKS Chapter 115 Adopted 11-2020](#)

The state of Texas has drafted new TEKS for health. The last adoption of Health TEKS was in 1998. The TEKS address the following substrands: physical health and hygiene, mental health and wellness, healthy eating and physical activity, injury and violence prevention safety, alcohol/tobacco/other drugs, and reproductive and sexual health. Health is not offered to MS and HS students, but the health instruction statutory requirements are embedded in PE, AVID, Panther Pathways, and Lifetime Nutrition and Wellness. SHAC will be creating a sub-group to review sex education curriculum options. The current curriculum is [Living WELL Aware, LLC - Home](#). Beth Olsen Director of Adolescent Programs with Prosper Waco mentioned the following resource: [Texas is Ready: Home](#). The meeting was adjourned at 12:57.
