### **TMEA Invited Ensembles**

TMEA will notify ensembles of their invitation status on September 1. TMEA wants invited groups to have the opportunity to determine whether they can accept such an invitation. We believe that by September 1, most groups will be in a better position to know if they will be able to meet, prepare, and even travel to the convention in February.

### **QR Code for Volunteer Forms**

Please screen share this QR code during your meeting so directors will sign up to be volunteers for various TMEA events/functions this year
