

Panther Kids Program Guide of Policies & Expectations for Participants

Midway ISD After-School Childcare Program 2021-2022

Panther Kids is an after-school childcare program that operates each day school is in session serving students in grades Pre-Kindergarten - 6th grade at their respective Midway elementary or intermediate campus. Once elementary students are accounted for, groups transition through various stations such as snack, outside playtime (weather permitting), gym time, table games, and arts & crafts activities. Once intermediate students have their snack, station options include gym, outside, and various games and activities. We do facilitate the opportunity for students to work on homework or read, but Panther Kids is unable to provide formal tutoring. Each campus has an adult site director and an assistant director; Panther Kids' Elementary staff includes **college and high school students who work with children at a 1 to 12 ratio** (two groups travel to stations together). Adult group or station leaders facilitate groups at a 1 to 24 ratio. Staff members are First Aid *trained*.

There are no nurses or specialized personnel during the after-school program.

Children must be able to interact in *positive* ways with other children in large group settings while being monitored by high school and college staff; children are expected to be respectful, stay with their group, follow safety procedures (including proper mask wearing), and take direction from all Panther Kids staff members.

Panther Kids is self-funded through fees paid by the parents and guardians of children enrolled.

REGISTER EACH YEAR – Midway ISD students in pre-kindergarten through sixth grade are eligible to apply for Panther Kids; however, grade levels may reach capacity, as space is limited. Students are considered enrolled* in Panther Kids only after parents/guardians have completed the annual, online application, paid the non-refundable, annual family registration fee, **and** received a confirmation email stating enrollment for current school year. To secure your child's spot, **first tuition payment is due by JUNE 1***; **if enrolled after June 1, the first tuition payment is due 3 days after enrollment or no later than the first day of attendance, whichever comes first** (see ***NOTE** below). Children who are currently enrolled and in good standing and children of full-time Midway ISD employees are invited to priority register. Any vacancies in the elementary & intermediate school programs during the school year will be filled from the Wait List. The Wait List is created from current school year's applicants who have not been enrolled to the current year's program. Families on the Wait List are invited to priority register 2 weeks prior to open registration.
