

SURVEY DATA FOR FOCUS GROUPS APRIL 24-25, 2017

Midway ISD is committed to a quality education for all students and your opinion is important to us. We recently launched a survey to gain your thoughts and opinions in order to better serve you as a school district.

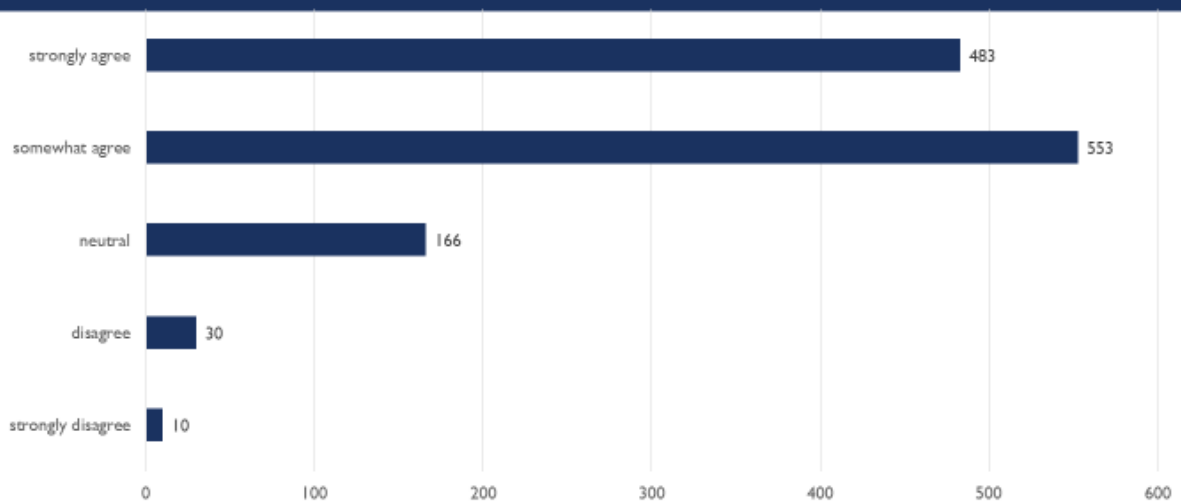

The survey was launched on March 2 and closed April 15, 2017. It was disseminated to community members, parents, alumni, business leaders, students and homeowners. We received 1,725 responses and appreciate the time taken to provide this valuable information.

The school board and administration will utilize the collective data from the surveys and focus groups for future decision making. Collective responses are included in this handout.
